MARTA BRZEZINSKA Masters Degree in Architecture

Marta is a talented architect who has delivered numerous successful residential and mixed-use projects for Sprunt including new build and regeneration schemes such as Yallops Yard, Sudbury Arms, Convent Way and more recently Brunswick Estate for Homes for Islington. Other work involves strategic infill developments with Lovell Partnership and Hounslow Homes on the Heston Estates Renewal project which forms part of the regeneration of six estates to develop 346 new homes.

Marta is currently working on an 11ha development with a major UK house builder (Barratt Homes) and Barnet Council in North London. Stonegrove Estates is a large residential regeneration project which consists of 1000 new homes, a church and community centre. She is also project architect for two Taylor Wimpey schemes in London.
